

Basic High School has celebrated many successes over the past 70 years! Now you can create a permanent record of the contributions you and your family have made to those successes. An engraved brick is the perfect way to commemorate a special occasion; a birthday, anniversary, graduation, willingness to be a Basic Benefactor, or a significant accomplishment.

For \$100, a 4" X 8" brick engraved with up to three lines of lettering will be placed at the entrance of Basic High School where all who pass can view this permanent symbol of your pride in BHS. Depending on the length of your inscription, you can personalize your brick even more with one clip art choice from our selection. You can purchase a duplicate brick at half price to keep as a special memento for your home or office or to give as a gift to a friend or relative.

With the exception of duplicates, bricks remain the sole property of Basic High School. Brick orders are submitted based on volume. On a six month basis, every attempt is made to place orders. However, if minimum brick orders are not received, brick orders will be made every year.

Bricks will be installed on a first come basis at the sole discretion of Basic High School. Bricks may become worn or damaged due to natural causes without liability of Basic High School. Inappropriate inscriptions will not be allowed. Bricks may be removed or relocated by Basic High School without liability for replacement at any time.

By purchasing a brick, you will help pave the way to a successful future for Basic High School.
